**Special Budget City Council Meeting**  
Thursday, January 18, 2018 @ 6:30pm  
Kindred City Hall

Present: Wanner, Spelhaug, Amerman, DuBord, Stoddard. Also, City Auditor Tabitha Arnaud, PWS Rich Schock, CPA Harold Rotunda, Guests: Julie Johnson and Bob Clarke.

Call to Order – 6:30pm

Discussion regarding fund accounts and whether all should be lumped together into the General Fund or if they should be separated to allow better monitoring of expenses. Fund structure is needed to assign funds for specific incomes and expenses. Best if all city employees are on the same page regarding where money comes from and what it can be spent on. Would like to create surplus to prepare for repairs to water/sewer lines and hydrants/curb stops. Create an infrastructure fund and equipment fund. Propose to combine some funds so simplify list. Discussion of increasing mayor and council wages in future.

Meeting adjourned at 8:46pm

**Motion to adjourn – Spelhaug, second Stoddard; RCV motion passed.**
