City of Kindred

Changes - They are a comin'

The **Yard Waste Dumpster** is going to be moved to the city shop at 951 Elm St. which is located at the west end of town. This new location may be a temporary move - it depends on how it is goes. Just a reminder that only yard waste is to be deposited into this dumpster (grass & leaves in bags are fine). Trees need to be cut up. No dumping on the ground. There is a platform there to assist in getting the material into the dumpster. This service is for city residents only. If we find material other than yard waste in the dumpster, it will be moved back to City Hall where it is monitored by cameras.

Effective October 1, 2016 **garbage rates** will be going up 1% to match an increase from Waste Management due to a disposal rate increase by the City of Fargo.

| <u>SIZE CAN</u> | <u>CURRENT RATE</u> | <u>NEW RATE</u> | <u>INCREASE</u> |

| 2nd 64 gallon | \$25.13 | \$25.63 | \$.50 |
| 2nd 96 gallon | \$25.66 | \$26.17 | \$.51 |

Effective January 1, 2017 **water rates** will be increasing. The rate charged to you for a minimum of 2000 gallons is currently \$27.98 and will increase to \$28.53.

Things to Look Forward To

Verizon Tower - Imagine being able to use your cell phone anywhere in your house. It's a dream we've all had. Well, it will soon come true. Verizon will be installing a cell tower in the vicinity of the city lagoon (behind Dakota Ag's office building). Verizon is obtaining the easements, permits, and preparing all the necessary federal paperwork. This is something we are really looking forward to!

Water Tower - Speaking of federal paperwork  all the applications, reports, studies, and justifications are underway.

We expect to start the project in the spring.

Has your family ever considered foster care? You don't have to be extraordinary, just a family willing to give a little extra. Every day in your community, families just like yours welcome children into their homes. These families are part of a child's life, making a positive impact, providing the unconditional love and support they need to grow. There can be challenges, but that's why we're here.

PATH is ready to answer your questions about foster care and work with your family to find the best fit for you. Being a PATH Family can be part-time, as-needed, or full-time. PATH Families are part of a professional team who ensure a child that joins their family gets the support and love they need.
